

# Salary guide for construction professionals 2020

# At Brightpath Recruitment, we help construction professionals to take the next step in their careers.

Our experienced consultants specialise in working with professionals at all levels, from graduates to senior managers, connecting them with employers that will support them as they fulfil their potential. Unrivalled connections within the construction industry allows us to offer opportunities in Ireland and throughout Europe on prestigious projects with large main contractors, premier developers and leading civil engineering firms. We have extensive experience of recruiting construction professionals for both permanent and contract positions and this has enabled us to deliver a service that provides expert career advice and facilitates your continued progression.

From offices in Dublin and Sligo, our team are well placed to advise you on opportunities nationwide. We have a track record of successfully placing people on iconic projects such as the prestigious National Gallery of Ireland refurbishment, the €150 million ESB headquarters redevelopment and the €250m Charlemont Street Regeneration Project.

The opportunity to take your career to the next level awaits, contact us to learn more.
